

Attached is information regarding the Community Energy Savers Program. This is a pilot program specifically for residents and businesses located within the corporation limits of New Philadelphia. This is a partnership between AEP Ohio and City of New Philadelphia. It is designed to help residents, businesses and AEP save money and energy.

You can participate in select energy efficiency programs and earn points for the New Philadelphia community. Those points will help New Philadelphia win financial rewards to be used for LED street lights! The City of New Philadelphia has been granted 100 vouchers to limit the audit costs for residents with qualifying income.

To get started, visit CommunityEnergySavers.com then go to the New Philadelphia Community Energy Savers Program or contact the City of New Philadelphia at 330.364.4491.

Sincerely,

Tuscarawas County Commissioners
