REMEMBERING RICHARD “DICK” LEBOLD AND HIS MANY CONTRIBUTIONS TO THE COUNTY AND COMMUNITY

On Wednesday, January 15, 2020, the Board of Commissioners took a moment to remember Richard “Dick” Lebold as follows:

Commissioner Abbuhl took time under Other Business to remember Richard Lebold, who recently passed away, and stated the following:

“Last week we said goodbye to Richard “Dick” Lebold. He was a charter member of the Tuscarawas County Trail & Greenspace Committee that was vital to the creation of the Tuscarawas County Park Department. He not only served on the Tuscarawas County Park Department Advisory Committee. He also served on the Tuscarawas County Canal Lands Committee and was instrumental in the development of the Canal lands park – Towpath Trail from Fort Laurens to State Route 800, which is part of the 101 mile trail from Cleveland to New Philadelphia. He has been recognized for these efforts by being one of the first inducted into the “Tuscarawas County Trail of Fame” in 2017. He always brought with him a sense of community with the vigor to get projects moving. His perseverance proved valuable to many communities, committees, and businesses and individuals making Tuscarawas County a better place to live. He was tenacious yet humble and he will be greatly missed although his accomplished projects will remain for generations to come.”

Commissioner Landis requested that a moment of silence be held in honor of Richard Lebold.
