Felony Drug Trafficking Indictment Served

On Monday March 29, 2010 L.E.A.D. Detectives arrested Danny R. Green (44) at his residence located at 215 Fourth Street N.W. Apt. 5, New Philadelphia on a Tuscarawas County Grand Jury Indictment for five felony counts of Trafficking in Drugs.

Green became the focus of this particular investigation while residing at his former residence located at 226 ½ Shafer Ave. in Dover last summer. Dover Police reported to drug task force investigators that they were receiving numerous calls and complaints about a very large amount of traffic coming and going from Greens apartment. Investigators were able to establish that Green was the “hub” of a great deal of illegal drug activity with people from all over the county frequenting his residence.

Detectives were able to coordinate three controlled buys from Green out of his Dover apartment and continued with two more after he moved to New Philadelphia near the High School. Detectives also were able to begin and complete several other drug cases in Tuscarawas County while working Green with some of the arrests already made and several yet to be completed.

During the course of the investigation L.E.A.D. Detectives received extensive information and assistance from Dover, New Philadelphia and Dennison Police as well as Tuscarawas County Sheriff's Deputies.

Danny R. Green remains in the Tuscarawas County Jail pending arraignment in Common Pleas Court at a later date and time.
